### What is the ICN World Championships?

iCompete Natural (ICN) originated in Australia and grew into the world's largest and most successful natural bodybuilding organisation. ICN Australia, with a relatively small population of only 25 million people, delivers 40 domestic events for 3,000 ICN Competitors. Our winning philosophy is simple, "**Deliver an experience that participants cannot buy or get anywhere else**". Every event aims to make it so memorable that it feels like a "wedding day" for competitors. With like-minded countries wishing to associate together, we created a worldwide organisation with the wisdom, technology, professionalism, structure, governance and human resources capable of spreading and sharing the best contest experience worldwide. Hence, ICN was born in 2017.

Currently, ICN holds events in 22 Countries; however, we have individual members in a total of 90 countries. Thus, the ICN World Championships accounts for the greatest coverage of natural athletes worldwide. ICN endorse the World Anti-Doping Agency (WADA) principles in our stringent Anti-Drug Policy and use WADA accredited laboratories to analyse samples from our competitors. ICN delivers an international, 5-year minimum drug-free competition for the *best-of-breed* natural athletes.

## 01. Prague, Czech Republic.

Prague, Czech Praha, city, capital of the Czech Republic, one of the most popular tourist destinations in Europe and this has much to do with the fact that it is replete with a huge amount of culture to absorb. The city has a rich architectural heritage that reflects both the currents of history in Bohemia and an urban life extending back more than 1,000 years. The physical attractions and landmarks of Prague are many. Among the finest is the Charles Bridge (Karlův most), which stands astride the Vltava River. The winding course of the Vltava, with its succession of bridges and changing vistas, contrasts with the ever-present backdrop of the great castle of Hradčany (Prague Castle). It is this very backdrop we will host the 2022 ICN World Championships.

### 04. Registration

**Currently on Friday November 18<sup>th</sup> from NOON – 4 PM in the foyer area. (subject to change)**

**Registration will be held at the Foyer of the Hilton Prague Congress Centre.**

At Registration you will receive:

- (1) Contest Number
- (2) Competitor Gift - ICN WORLD Sleeveless Hoodie
- (3) Random Drug Testing

When you arrive at Registration, come to the table with either an **envelope or piece of paper** in your hand. Let me cover this carefully as its vital to a fast, flowing experience for competitors:

- 1) **If you are paying your entry fees in cash** at Registration (no credit card facilities available), you must have the money in an **ENVELOPE**. On the envelope, please write the following 5 pieces of information:

If you are paying at Registration bring money in an envelope with:

- Your Name
- Your Contest Number (this will be emailed to you before the contest)
- The Division/s you have entered and Estimated Stage Time.
- The Media (photos and video) you ordered.
- The total amount enclosed in the envelope – correct amount is appreciated.

If you **paid online**, give us just a **piece of PAPER** (not an envelope). This is important to us because "envelope" means you need to pay, and "paper" means you have already paid. On the paper, just 3 pieces of information.

- Your Name
- Your Contest Number (this will be emailed to you before the contest)
- The Division/s you have entered and Estimated Stage Time.

To pay online  
(Available November 13th to 16th. Go to **PAY ENTRY** under **MY EVENT**)

Just bring a piece of paper with:

- Your Name
- Your Contest Number
- The Divisions/Time you have entered

When you come to the Check-in table, place your **envelope or piece of paper on the table** in front of the staff. They can work quickly off the written information and get you officially registered and underway. Once you hand over your envelope/paper to check-in staff they will mark your attendance and hand back your contest number\* then ask you to take lucky draw for a random drug test.

### Contest Number

You receive one contest number – wear the same number for every division.

You will receive a Front number to wear on the right-hand side of your costume, and a second number to wear on the back (centre). This way, judges see your competitor numbers when you turn around.

Wear front number on the Right-Hand Side  
and back number in centre.

### Souvenir World Championships Sleeveless Hoodie

**FREE for Competitors**

*If you wish to buy a souvenir event hoodie we have limited numbers for sale at Euro 40.*

### Random Drug Testing

We will be conducting random drug tests at Registration, so avoid going to the toilet just prior to registration in case you pull a "Test". Event day testing for Winners will be done throughout the contest day.

### 13. Travelling Advice for International Competitors

Minimum time required to recover from the effects of jet lag is one hour for every hour you spend travelling. Try to arrive in the afternoon or evening so you can sleep and wake at the correct time. When you board the plane in your Country, adjust your watch to the time in the destination country and eat according to the time here. Same applies to sleep. Drink plenty of water. Eat Lightly. When booking your airline ticket, ask for low-fat meals to be served. But also take your own food on the plane with your carry-on luggage. Also, bring some packaged food in your suitcase, so you can survive for several meals without the stress of finding bodybuilding food immediately upon arriving. Note: If you bring supplements, keep them in original containers in case customs officials want to inspect your "pills and white powder". If you are tanning in the hotel, bring your own sheets and pillowcase to sleep in the bed. Otherwise, you can get away with just a pillowcase and old "jammies" to sleep in. Hotels usually pass-out when they see the tanning stains left behind by bodybuilders and they will charge you an outrageous cleaning fee.

Don't be critical of your contest condition as you can expect to be 20% off your local contest condition due to the rigours of travel, however, everyone is similarly handicapped. That is why I say those who win international events are those who travel best and do not get upset by unexpected situations. Try and plan so you can be very self-reliant. One important message about competing internationally – hope for the best and prepare for the worst. The way an event is run in another country may vary from what you expect. We are also promoting a contest in a new country and the promoters will be facing unexpected challenges and problems themselves. So be flexible in your mind and last-minute preparation. However, rest assured the Championships will be a fantastic experience for everyone. The ICN Promoters have run many international events and have dedicated 12 months into the planning of this event, so we have prepared as diligently as competitors!

### SIM Cards for use in Czech and Europe

When arriving at Prague airport there is a Vodafone shop selling SIM cards in the Terminal 2 arrivals area. The Data SIM for Visitors SIM card is available from 800 CZK including 10GB of data with 30 day validity.

Unlike other SIM cards sold in Prague, this visitor SIM cannot be used for roaming in the EU1. If travelling on to other EU countries after arriving in Prague, I feel it's worth leaving the airport to buy a SIM card. All SIM cards in this guide work in other EU countries except the Vodafone Data SIM for Visitors.

If looking to save some money, a local Vodafone SIM card costs 200 CZK including 500mb of data. The Vodafone shop at the airport may not sell the local SIM card. It can be purchased at other Vodafone stores.

There are other good deals available on Czech SIM cards after leaving the airport, these include:

- Tesco Mobile with 500mb of data for 150 CZK (valid for 7 days)
- T-Mobile with 10GB of data for 600 CZK (valid for 30 days)
